

Don't leave any child alone now!

www.kein-kind-alleine-lassen.de

During the current corona crisis, families are continuously together for a long time, often cramped and without any privacy. This is a difficult situation for many people. For women and children, there is an increased risk of being mistreated and abused in their own homes.

Please look after each other. We're here for you if you are worried.
About children and young people. About families, neighbours and friends.
About yourself.
